

Casual Pool Registered Nurses – Community Palliative Care

Location: Takapuna & Red Beach, Hibiscus Coast

Harbour Hospice is the only specialist, palliative care provider for families living in the Hibiscus Coast, North Shore and Warkworth / Wellsford communities. We provide compassionate, free care working primarily with patients, families and carers in their homes, and also within our three hospice sites. Our bespoke services include medical care, spiritual support, physiotherapy, social activities and more, with an emphasis on helping people live every moment in whatever way is important to them.

In 2018 our hospice sites in Warkworth/Wellsford, Hibiscus & North Shore were brought together under the Harbour Hospice brand. By combining these three areas we are better able to meet the needs of our growing population, and continue to improve, share skills, expertise and extend the services we provide.
