

## **OCCUPATIONAL THERAPIST – 32 HOURS PER WEEK**

Te Omanga Hospice is seeking an experienced therapist to join us in delivering specialist palliative care focussed on helping people make the most of life. You will have a sound knowledge of Occupational theory and practice, its application in palliative care and be familiar with working in both an acute inpatient and community setting.

Te Omanga Hospice presents a unique opportunity to work within a truly multi-disciplinary team; where it is small enough to get to know your patients and colleagues, and large enough to provide a variety of professional development opportunities and challenges.

This position contributes to the oversight and ongoing development of the Occupational Therapy Service. You will have the skills to provide occupational therapy for complex cases, coach other staff and liaise with family support staff and clinical staff to promote a seamless service for the patient's journey.

Candidates must have a minimum 3 years post graduate experience.

Requirements:

- New Zealand Occupational Therapy Board Registration
- Current annual practicing certificate
- Full New Zealand drivers licence.
- Accredited assessor status with the Equipment Management Service
