

REGISTERED NURSE POSITIONS

Cranford Hospice is an organisation that is focused on being leaders in the specialist field of palliative care and we are committed to providing person and whānau-centred care for the people in our community. We have an in-patient unit located in Hastings as well as a community outreach team, so the work is varied and offers the opportunity to make a real difference in the lives of patients and their families/whānau.

What can we offer you?

- A dynamic and supportive multidisciplinary team environment
- Hours of work can be negotiated for the right applicants
- Great location with peaceful surroundings and easy parking
- Opportunities for continuous learning and development
- A fun and wellness focused work environment
- Support to complete a Post Graduate qualification in Palliative Care
- Family friendly and inclusive workplace
- The opportunity to make a difference for those living with a life limiting illness

What skills and experience will you bring?

- Current registration with the New Zealand Nursing Council as a registered nurse
- A minimum of 1 year's nursing experience
- Flexibility to work rostered shifts
- Demonstrated high level of interpersonal, assessment and communication skills
- A desire to provide holistic and compassionate nursing care
- Post Graduate Qualification in palliative care would be an advantage
- Evidence of PDRP or commencement of this pathway

Please include a current CV and cover letter detailing your skills and experience for this role. Applicants must be eligible to live and work in Aotearoa and be able to successfully pass a Police Vetting Check.

Cranford Hospice is a party to the NZNO Hospice Nurses Multi-Employer Collective Agreement.
