

Allied Health Team Leader

working 32 – 40 hours per week.

Are you an enthusiastic experienced Allied Health Clinician with either a Social Work and/or Counsellor, or Psychologist registration and looking for an enviable lifestyle in a spectacularly beautiful part of the world?

A new permanent opportunity has arisen for an Allied Health Team Leader to join our dedicated team. With your expert clinical skills within counselling support and proven experience leading teams you will be responsible for providing a compassionate, supportive service to our patients and their families which reflects the core values of quality palliative care.

By being motivated and organised you will actively participate in the oversight of the delivery of specialist palliative care services, whilst providing excellent leadership and professional advisory services to clinical team members. You will also be involved in clinical education, mentoring, coaching and career progression planning for our wider Allied Health team.

Hospice Southland is the only Palliative Care Specialist Provider for the Southland region and we are extremely passionate about the opportunity to provide the very best care for our patients and their families.

For those who are not in the know Invercargill is the capital of Southland which boasts multiple leisure opportunities as well as excellent educational and sporting facilities. Access to world class outdoors environment is second to none for those keen to experience nature at its best, be it world heritage walks or globally recognised brown trout fisheries, the wineries of Central Otago or the ski fields in Queenstown, there is something for everyone. This is a lifestyle opportunity not to be missed.

If you want to be part of our special team knowing you are making a real difference in your community and you have the skills and experience we are looking for please use the apply link below or forward your cover letter, including salary expectations and up to date CV to recruitment@hospicesouthland.org.nz.
