

Clinical Nurse Specialist Community Palliative Care

Mercy Hospice (MH) is the provider of specialist palliative care services to the people of the Auckland District Health Board area. MH has a 13-bed inpatient unit and a community nursing team providing patient centred palliative care to approximately 1200 people. MH is known for providing fabulous working conditions for nursing staff in a supportive team environment, with opportunity for professional supervision as well as professional development through internal and external providers.

We are looking for an experienced specialist nurse that wants to be part of a community palliative care (CPC) team. The Clinical Nurse Specialist is an advanced nursing practice role, responsible for providing specialist nursing care and/or coordination of care to patients in the community who require end of life care. In this role you will deliver high quality, specialist & holistic nursing care to patients and families/whanau.

What we are looking for:

- Current NZ Annual Practising Certificate
- Previous experience in palliative care
- Postgraduate certificate and/or diploma in specialty nursing practice (or prepared to work towards these qualifications)
- Excellent communication skills
- Current NZ Drivers Licence

This is a permanent position, working 0.8FTE (64 hours per fortnight).

Most shifts are Monday-Friday but contribution to the on-call and weekend roster is required.

Free staff car parking is provided.

Applications close when a suitable applicant has been found.

In return, we can offer you the opportunity to make a very real difference to those facing palliative care and their families. Based in Ponsonby, you will work for an exceptionally special place with a strong history, mission, culture and values. Support Mercy Hospice's (MH) Mission of caring for people facing life-limiting illnesses in accordance with the philosophy, mission and values of the Sisters of Mercy.
