

PERMANENT PART TIME PALLIATIVE CARE REGISTERED NURSE FOR COMMUNITY

Arohanui Hospice provides specialist palliative care for patients living with life limiting illnesses and support for their families/whanau; within the Manawatu, Tararua, Horowhenua and Rangitikei/Taihape regions. We seek an experienced Registered Nurse (RN) to provide nursing care to the terminally ill, and support to their families/ whānau.

Patients, families, and whānau are at the centre of everything we do. We are committed to honest, transparent, and visible processes that reflect our core values, and staff and volunteers are our most valuable assets.

We currently have a permanent 0.6 FTE position available on our community team coordinating and delivering specialist care to patients under our care in the community as part of the Specialist Palliative Care Interdisciplinary team.

We would love to hear from you if you have a passion for palliative care and have the following skills:

- Experience in palliative care and/or significant experience in generalist nursing
- A post graduate nursing qualification, or willingness to work towards such a qualification
- Strong commitment and proven ability to liaise and communicate with all members of the wider health provider team to maximize patient outcomes.
- A proven record of sound clinical decision making and excellent problem solving skills
- Ability to cope under pressure and use own initiative when required in a flexible and changing environment
- Excellent communication skills
- A knowledge and commitment to continuous quality improvement
- Experience of digital patient management system
- A full clean driver's license
- A current PDRP at expert level
