

**Palliative Care Clinical Nurse Lead  
Community Team & ARC  
0.9 FTE**

*a unique environment – a privileged role*

For over 30 years Nelson Tasman Hospice has been a part of our community, providing compassionate palliative care to patients and whanau. Our vision is “To Care Always”, and our talented and dedicated team ensure we deliver on this vision. We are looking for a Clinical Nurse Leader equally as driven to lead our Community team at our state-of-the-art facility in Stoke, Nelson.

In this varied role, you will have the opportunity to demonstrate proven clinical and leadership skills, working primarily with our experienced community and ARC team. Providing ongoing support to the team, you'll be involved day to day coordination of activities and assisting with complex patient needs, while also ensuring their ongoing development. As part of the Clinical Governance committee, you'll also be involved with developing and reviewing policy and guidelines ensuring Nelson Tasman Hospice operates at the highest standards while complying with all national guidelines.

Some things are an absolute must – along with an annual practicing certificate you will need 3 - 5 years' experience in an advanced nursing practice role, with demonstrated collaborative team building skills. Ideally you will have a post graduate diploma in palliative care and PDRP Expert level, however, a commitment to working towards this will suffice. You will be able to inspire and motivate a team while working alongside them with your flexible and supportive approach.

Working in a hospice environment is an incredibly rewarding career option. So, if you're ready for this opportunity to work for a well-loved organisation in the Nelson Tasman region, we'd love to hear from you!
