

Calling all Registered or Enrolled Nurses

This is the opportunity you have been waiting for!

- ★ **From newly graduated to those with more experience, North Haven Hospice welcomes you all.**
- ★ **No palliative care experience required!**
- ★ **We will provide training and support.**

You can choose to work in our Inpatient Unit, the local Community or both

And it's your choice to work 0.6 to 0.9 FTE with a mixture of shift length to choose from (either 8 or 12 hours).

Te a hua o Te Turunga / THE NATURE OF THE POSITION

- An opportunity to develop specialist skills in an area of practice where you **WILL** make a real difference to those you care for.
- Work in a place where you will be actively encouraged to grow.
- Become part of a small, supportive team where our values are an everyday part of who we are.
- Our Inpatient Unit only has six beds; you will be well supported by your colleagues and volunteers.
- 100% of our staff report they are proud to work at North Haven Hospice; read on for more on this!

Ko waimatou / WHO WE ARE:

Our mahi embraces a kindness and a personalized, specialized, level of care; this is what we offer to everyone we have the privilege of walking alongside. Whether you are a patient with a life-limiting condition, their family/whanau, or one of our members of staff here at North Haven Hospice, we care about you and together we make a difference.

We would love to have you as part of our team; what we do together is extremely rewarding, diverse and wraps around both our staff and those we care for in our community.

Don't take our word for it! Here's what the team have to say about North Haven Hospice:

"A cohesive team of caring and passionate people." – Social Worker

"North Haven Hospice is a very special place and I often find myself demystifying people's preconceived ideas about palliative care and hospice." – Registered Nurse

WHAT CAN WE OFFER YOU?

- Competitive remuneration.
- Paid external professional supervision and development.
- An amazing whanau of colleagues to work with.
- A chance to focus on the reasons you became a nurse.
- The opportunity to develop your skills, knowledge and career within a stimulating, supportive and nurturing environment.

Nga Tino Pukenga / WHAT WILL YOU BRING?

- Compassion and empathy in caring for patients and their family/whanau at the end of life.
- A current New Zealand Registered Nurse Practicing Certificate.
- Evidence of being fully vaccinated against COVID-19.
- A commitment to develop your knowledge and professional development.
- A willingness to be curious, open to change and become part of our team.

If you want to know more we would love to hear from you. Just give Cathy West, our Operations Manager, a ring anytime on 09 437 3355, or email cathyw@northhavenhospice.org.nz.
