

We are looking for a Medical Director to join our team

Hospice Waikato has a great opportunity for a Palliative Medicine Specialist who is energetic and looking to take on a leadership role.

About us...

Hospice Waikato provides high quality, community focussed specialist palliative care. We deliver care across all settings; community home care, hospice outpatient and inpatient, paediatrics, aged residential care and in conjunction with GPs and Community Nurses.

Based in Hamilton, we have a fantastic working environment with a purpose built 11 bed inpatient unit, Rainbow Place - NZ's only specialist Children's Hospice and a Community outreach programme serving the wider Waikato Region.

About the role...

As our Medical Director, you would lead our medical team who are responsible for the clinical management of patients and families and the delivery of quality palliative care and clinical services under the care of Hospice Waikato.

In partnership with the Education Manager, Director of Nursing and Family Services Manager, you will promote clinical education in-house and to other health care providers such as GPs. You will lead career progression which includes supporting research portfolio and active engagement of our clinical staff. You will also support an advanced trainee registrar in palliative medicine.

Growing our own teams' skills and retention of people are also key objectives of this role and, as part of the Senior Leadership, you will contribute to the strategic development of Hospice Waikato's services.

What you need to bring to the role...

You will have appropriate qualifications in palliative medicine and evidence of leading, developing and inspiring our health care teams, whilst also enhancing Hospice Waikato's health care planning. We need you to have excellent communication skills, a focus on improvement and total commitment to collaborative teamwork.

Hospice Waikato is fully committed to providing ongoing professional development opportunities for all our team members. Come and see what its like to be a part of our great team.
