

## Registered Nurse – Inpatient Unit

Mercy Hospice (MH) is the provider of specialist palliative care services to the people of the Auckland District Health Board area. MH has a 13-bed inpatient unit and a community nursing team providing patient centred palliative care to approximately 1200 people. MH is known for providing fabulous working conditions for staff.

We are currently looking for Registered Nurses to join our values-based nursing team, within a challenging yet rewarding environment.

You'll join an established team, meeting the ongoing physical, emotional, social and spiritual needs of both our patients and whānau. You'll combine your nursing skills and knowledge with a desire to maintain meaningful connection during a significant chapter in your patients' lives.

### **Benefits you will enjoy:**

- Paid professional, supervision / coaching
- Extensive professional development from internal and external training providers.
- Free on-site staff parking (big savings for living and working in Auckland).
- Full IT Support and cyber security across all your devices.
- Full support with orientation as well as an individual training plan specific to your needs.

### **What you'll bring to the role:**

- A current NZ Annual Practicing Certificate.
- A minimum of 2 years' nursing experience (preferably in palliative care but not essential). Preferred but not necessary - Postgraduate certificate / diploma in specialty nursing practice.
- New graduates will be considered.
- A passion to provide ongoing, quality, holistic care.
- Ability to work 24/7 rostered shifts.
- Proven interpersonal communication skills.
- Computer literacy.

There are permanent positions, working 0.8FTE (64 hours per fortnight)

Mercy Hospice operates a 7 day a week, 24 hours a day IPU service and as such applicants must be available to work rostered shifts.

Support Mercy Hospice's (MH) Mission of caring for people facing life-limiting illnesses in accordance with the philosophy, mission and values of the Sisters of Mercy.

**Applications close when suitable applicants have been found.**
